### SCHOOL DISTRICT 10

The middle school principal position in District 10 is an exciting opportunity for the administrator looking for the challenge of educational leadership. District 10 consists of three schools with 900 students. The primary school (Benson Primary School) serves grade levels preschool through second grade. The Intermediate school (Franzen Intermediate School) serves grade levels third through fifth grade. F.E. Peacock Middle School consists of sixth through eighth grade levels.

The district has 78 certified staff members and 54 support staff members serving grade levels preschool through eighth grade. Our recently renovated schools provide an excellent learning environment.

### COMMUNITY

The Village of Itasca is a stable community with approximately 8302 residents and located about 30 minutes from O'Hare International Airport. A large Nature Center is located within the Village. In addition, a newly developed River Walk provides a warm and inviting atmosphere for our outstanding community.

### F. E. PEACOCK MIDDLE SCHOOL

The middle school has 307 students in grades sixth through eighth with a total of 26 certified teachers assigned to the school. 94.8% of the students met or exceeded the Illinois Standards during the 2010-2011 school year. The district and all three schools continue to attain adequate yearly progress. The school is a recipient of the Blue Ribbon Award.
