

**Policy First Reading
December 8, 2004**

4:30 – Operational Services, Revenue and Investments (Modified)–
Additional language to policy allow school districts to take into account the impact on local banks and the local economy while determining depositories.

4:90 – Operational Services, Student Activity Fund Management (Modify)-
The Board has not followed this policy as written although procedurally, the Board currently treats the building principal as treasurer of each building's activity fund(s). By assigning the treasurer responsibility to the superintendent, the Board is officially providing for more oversight that is completely removed from the building and its activity fund practices.

5:35 – General Personnel, Compliance with the Fair Labor Standards Act (New) – This new policy is intended to assist school districts in complying with FLSA.

5:280 – Educational Support Personnel, Duties and Qualifications (Modified) – The changes in this policy are meant to comply with new ISBE rules regarding qualification of teacher aids: particularly those who work with special education students.

6:65 – Instruction, Student Social and Emotional Development (New) – This policy is required for compliance with the Children's Mental Health Act.

7:70 – Students, Attendance and Truancy (Modify) – Minor IASB recommended changes plus addition of new Compulsory attendance language.

7:250 – Students, Student Support Services (Modified) – This policy was modified to compliment policy 6:65 and comply with the Children's Mental Health Act.

7:325 – Students, Student Fund Raising Activities (Modified) – This policy is modified to allow in-school fundraising activity and to permit, with Board of Education approval, fundraising outside of schools.

8:30 – Community Relations, Conduct on School Property (Modified)-
The modification to this policy was a discussion at our September meeting. It permits rollerblading under the direct supervision of District 10 staff.
