

Newly Hired Teachers

Heather Ahn – Family and Consumer Science at Peacock – Heather has a Bachelors Degree in Human Development and Masters Degree Elementary Education; both from the University of Illinois. Although Heather has held some aide and substitute positions, this will be her first contractual teaching experience. She is properly certified for the position. She will start at Masters, Step 1.

Marjorie Margolis - Learning Disabilities Resource – Part time - Marjorie has had a full career teaching special education students. Her most recent districts were Arlington Heights, Skokie, and Wauconda. She is properly certified for the position. She will start at Masters plus 30, Step 9. This is the highest level people can enter District 10.
