

# K-Prep Homework

## Fall is coming! Fall is coming!

Friday, September 23<sup>rd</sup> is the first day of fall. Please help us decorate our “seasons” bulletin board by completing the attached sentence:

“In the fall (child’s name) likes to (whatever your child likes to do).”

Have your child draw a picture of what they like to do in the fall or attach a photograph that was taken of them during the fall (doesn’t have to be a recent picture)! We will display these in our classroom until... Winter!

You can send the completed homework to school any day before October 7<sup>th</sup>.

(Also – now is a great time to encourage your child to start his/her own zipper on their coats. I usually have them try three times by themselves and then I will help them. Even while helping, encourage them to watch and try parts of the process. For some it’s easy – for others it’s not so easy!)
