Social Studies reconstructs Reconstruction! Pg. 2

World Cultures explores diversity and current events...Pg.2

NOTE: LPHS placement test is October 5, 2002.

8th Grade Team Rules!

We students in the 8th grade at F.E. Peacock Middle School will...

1. Follow all school rules.
2. Follow all rules unique to each class.
3. Be considered tardy if we are not ready to begin class when our teacher is. It is our responsibility to be on time
4. Complete all work on time. Work not completed on time will result in a lower grade. There will be a point after which work will no longer be accepted (see below). Our parents will be notified after two missing assignments. It is our responsibility to meet deadlines as well as to get missing work resulting from absences.

Math-----day of chapter tests
Language Arts-----day of unit tests
Spanish-----day of chapter tests
Social Studies-----day of unit tests
Science-----day of chapter tests
World Cultures-----day of unit tests

5. Have work taken away from us if we choose to do it at inappropriate times (finishing

a math assignment in Language Arts class). Our teachers will take it from us and discard it. It is our responsibility to remain on task.

6. Have personal notes that we are reading or writing confiscated and mailed home.
7. Be honest. Students cheating on a test, quiz, or assignment will receive a zero. Cheating involves both the person who copies, and the person who allows the copying. Talking during a test/quiz is considered cheating. Copy paste from the computer is considered plagiarism. It is our responsibility to be trustworthy.
8. Note cards must be provided with each paper assignment in each class. If you do not present note cards, the paper will not be accepted.
9. Upon teacher absence, any names left by substitute will result in an automatic detention.
10. Have the supplies we need for class. Locker passes will not be given out. It is our responsibility to be prepared for class both mentally and physically.

We welcome Miss Okon

My name is Christine Okon, and I am very excited about teaching at such a wonderful school. I graduated from Augustana College in Rock Island, IL. Some of my hobbies include playing softball, biking, and traveling.

I had the opportunity to travel to South America, where I studied in Ecuador and Peru. I have also visited ancient Mayan Ruins in the Yucatan Peninsula of Mexico. I am looking forward to getting to know each of my students, and having a great year at Peacock!

Miss Christine Okon teaches 8th grade Spanish and World Cultures.
