

2010 F. E. Peacock Middle School Science Fair

Science Fair Date: February 6, 2010

Time: 9:00-12:00 noon

This will be the final reminder to all science fair participants that projects and their support documents should be near completion. Please remember that on February 6 the entire project and accompanying materials should be brought to Peacock's gym by no later than 8 am for setup. Judging will begin at 8:30 am promptly with each grade level's Golden Test Tube winner announced by 11 am. Following the distribution of awards (ribbons and Golden Test Tube plaques), all projects must be dismantled and taken home.

Good luck to all participant!
